

Training Matters

Delivered by Sumburgh Airport

Sumburgh Airport is offering a range of first aid courses to local businesses, community groups and individuals.

We currently provide:

- 1 Day Emergency First Aid at Work Course
- 2 Day First Aid Refresher
- 3 Day First Aid Initial Course

We have a dedicated team of Trauma/First Aid instructors able to deliver the first aid training you need when you need it at the right price.

These courses can be delivered either at Sumburgh Airport or at your location.

Courses are fully certified, with Clinical Governance provided by Trauma and Resuscitation Services Limited, a Quasafe-accredited organisation.
